Greater Nashville Chapter 71

Industry Partner Sponsorship Opportunity

We believe being a sponsor, is a business growth opportunity. Our extensive list of networking and education opportunities provide our sponsors with an important forum to introduce themselves to potential clients and create meaningful relationships within our membership and the community.

The 2017 sponsorship program helps you achieve two (2) worthwhile goals: it affords your company an opportunity to increase its visibility in order to build your business and it helps IREM Nashville grow and expand its offerings which enhances your exposure to potential clients.

The Greater Nashville Chapter of the Institute of Real Estate Management assists their industry partners through education programs, networking, legislative advocacy and publications.
